**Grade 6: *The False Prince*** - Book 1 of 3 in the Ascendance Trilogy

THE FALSE PRINCE is the thrilling first book in a brand-new trilogy filled with danger and deceit and hidden identities that will have readers rushing breathlessly to the end. In a discontent kingdom, civil war is brewing. To unify the divided people, Conner, a nobleman of the court, devises a cunning plan to find an impersonator of the king's long-lost son and install him as a puppet prince. Four orphans are recruited to compete for the role, including a defiant boy named Sage. Sage knows that Conner's motives are more than questionable, yet his life balances on a sword's point — he must be chosen to play the prince or he will certainly be killed. But Sage's rivals have their own agendas as well. As Sage moves from a rundown orphanage to Conner's sumptuous palace, layer upon layer of treachery and deceit unfold, until finally, a truth is revealed that, in the end, may very well prove more dangerous than all of the lies taken together. An extraordinary adventure filled with danger and action, lies and deadly truths that will have readers clinging to the edge of their seats.

**Grade 7 & 8: *The Scourge***

As a lethal plague sweeps through the land, Ani Mellis is shocked when she is unexpectedly captured by the governor's wardens and forced to submit to a test for the deadly Scourge. She is even more surprised when the test results come back positive, and she is sent to Attic Island, a former prison turned refuge — and quarantine colony — for the ill. The Scourge's victims, Ani now among them, can only expect to live out short, painful lives there. However, Ani quickly discovers that she doesn't know the whole truth about the Scourge or the Colony. She's been caught in a devious plot, and, with the help of her best friend, Weevil, Ani means to uncover just what is actually going on. But will she and Weevil survive long enough to do so? "The Scourge" is an explosively thrilling tale of adventure and intrigue, courage and heart from "New York Times" bestselling author Jennifer A. Nielsen.

**Grade 7 & 8: *Mark of the Thief*** - Book 1 of 3 in the Mark of the Thief Trilogy

When Nic, a slave in the mines outside of Rome, is forced to enter a sealed cavern containing the lost treasures of Julius Caesar, he finds much more than gold and gemstones: He discovers an ancient bulla, an amulet that belonged to the great Caesar and is filled with a magic once reserved for the Gods — magic some Romans would kill for. Now, with the deadly power of the bulla pulsing through his veins, Nic is determined to become free. But instead, he finds himself at the center of a ruthless conspiracy to overthrow the emperor and spark the Praetor War, a battle to destroy Rome from within. Traitors and spies lurk at every turn, each more desperate than the next to use Nic's newfound powers for their own dark purposes. In a quest to stop the rebellion, save Rome, and secure his own freedom, Nic must harness the magic within himself and defeat the empire's most powerful and savage leaders.
