

ROCHESTER HILLS PUBLIC LIBRARY

MAKERSPACE PROGRAMS

Makerspace Open House
Thursday, December 6, 6-8pm
All Ages

Come check out our new additions to the Makerspace! See what services and equipment we have to use: 3D printer and laser cutter demonstrations and much much more! If you haven't visited the Makerspace yet, this is the perfect time to pop in and see what's new! No registration required.

Circuit Tree Building
Thursday, December 13, 6:30-7:30pm
Grades 4 and up

Kick off the holidays by designing and creating your own circuit Christmas tree! Get creative as you build and explore a circuit in order to light up your tree.

REGISTRATION IS REQUIRED FOR ALL PROGRAMS.
Go to RHPL.org or call 248-650-7140 for registration times, dates, and details
