

ROCHESTER HILLS PUBLIC LIBRARY

MAKERSPACE PROGRAMS

Fake Snow Challenge

Thursday, January 17, 3:30-4:30

Grades 5 and up

Come create your own snow! Learn a little about chemistry and have fun bringing the wintry wonderland indoors. We will be creating 4 different kinds of snow and comparing them to see which is the most "snow" like.

Minecraft

Thursday, January 31, 6:30-7:30

Grades 4 and up

Come complete our Mission to Mars and finish building your own colony on Mars or complete our newest mission as you build your own zoo. Both missions are open to beginners and experienced Minecrafters.

REGISTRATION IS REQUIRED FOR ALL PROGRAMS.

Go to RHPL.org or call 248-650-7140 for registration times, dates, and details
