

The Walter P. Reuther Award

The Walter P. Reuther Award is presented to 1 boy and 1 girl from the 8th grade class annually at the 8th grade honors award ceremony. Students eligible for the award **MUST** earn a minimum of 30 of 40 possible points within the Reuther GAP (Goal Achievement Program).

Walter Reuther is often remembered as the most accomplished leader in the history of the American labor movement. A man of character, resolve and boundless energy, he sought to level the playing field for American workers. Through his efforts, millions of working families continue to enjoy a more secure future. *Quote from the Walter P. Reuther Library.

The award is based on academic excellence, outstanding citizenship in and out of the classroom, demonstrating excellence in co-curricular and extra curricular activities, and demonstrating positive leadership.
